GENERAL SALE INFORMATION

TIME—Tuesday, September 29, 1964. Sale will start promptly at 12:30 p.m. C.D.T. Lunch will be served at the farm.

LOCATION—Carusbrooke Farms. From Peru cross river on U.S. 51 going South. Take first road west. Signs will lead you three miles to the farm. From Cedar Point farm is 2½ miles north. Carusbrooke is approximately 90 miles southwest of Chicago, 55 miles northwest of Peoria, 75 miles east of Moline. New interstate 80 now open across Illinois from Moline will be of help to many coming to this sale. If you are coming by train or plane and wish to be met please call Carusbrooke Farms or call the Sale Manager. We will be happy to meet you and to take you back.

TERMS—The terms of the sale are cash unless other arrangements are made with the owner before the sale commences. Settlements should be made with the clerk at the conclusion of the sale. All stock will be at buyer's risk as soon as bid off but we will assist in loading in compliance with instructions from the purchaser.

HEALTH—The cattle will be sold under the health laws of the State of Illinois. Proper tests will be made and health certificates will be available at the sale. Calfhood vaccination for Brucellosis has been practiced at Carusbrooke. Since all sales are final as soon as bid off out-of-state buyers should be aware of any deviations of their state health laws from Illinois.

GUARANTEE—The cattle in this sale will be sold under the Standard Guarantee recommended by the American Shorthorn Assn. A provision of this guarantee is that notice of failure to breed shall be given by the buyer to the seller within SIX MONTHS of the date of this auction sale. Registry certificates properly transferred will be furnished for each animal sold.

MAIL BIDS—Those who wish to buy at this sale and who cannot attend personally may send or phone bids to any of the following representatives who will be at this sale: Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois; Lyle Eiten, Corn Belt Dailies, Ladd, Illinois; Dick Kane, Auctioneer, Wisner, Nebraska; H. P. Miller, 16 So. Locust St., Aurora, Illinois.

SALE MANAGER—Don Longley, 16 So. Locust St., Aurora, Illinois.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerks and the sale manager have been employed by Carusbrooke for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accident that may occur. Carusbrooke will make every effort to provide for the comfort and safety of those attending the sale, but cannot accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Footnotes were written from information provided by Carusbrooke.

TELEPHONES—Cedar Point 446-4266 or 446-4261 or 446-4268. Area Code: 815.

**Herman Carus looks over a group of the cows
that will be selling in this sale.**

Since the start of this herd in 1949 our goals have been clear. We made up our minds to own one of the best herds of Shorthorns both from the standpoint of individuality and heritage. More than that, our practical farm operation demanded that these be prolific, practical cattle because we had neither the inclination nor the manpower to pamper them.

We have had good fortune with our sires. Elcona Robin Elvin was purchased in the 1954 International sale, did a grand job and a number of his daughters are being sold in this sale. We bought another outstanding show bull in the 1960 International sale, Scotsdale Planet, from the great herd of S. G. Bennett in Canada. Last year we bought Melbourne Perfection, our pick of all the sons of Calrossie Diamond offered in the Leveldale-Melbourne sale.

Mindful that no herd could be

made strong if all its good females were sold, for many years we sold practically no females. What culling needed to be done was to the butcher's block because we felt if they were not good enough for us they were not good enough for our customers. In 1961 Carusbrooke took another important step forward in purchasing the well known Joel Hopkins herd.

The result is that we have accumulated more females than is best for us to handle. Since we want to save many Scotsdale Planet daughters from our last crop this means we are selling a good number of cows, but their daughters remain. We are also selling a grand group of bred heifers by Scotsdale Planet. So, this is a production sale . . . and it can also be called a reduction of the herd.

We are looking forward to this opportunity to welcome you to Carusbrooke.

CARUSBROOKE FARMS, INC.

HERMAN D. CARUS

DALE McCANNON
Manager

ALLAN SLYE
Herdsman

The Princess Royal family at Hopkins Stock Farm. Originally they were acquired in Hopkins purchase of the Red Gate herd of Ohio and came to Carusbrooke in 1961 with the purchase of the entire Hopkins herd.

When Mr. Carus asked me to help with this sale it was my idea to call it a "herd reduction" because of the large number of cows involved. He was hesitant because he did not want to do anything to create the impression that less emphasis would be given to the Shorthorn herd in the future. On the contrary, plans are for full steam ahead. Also, he did not want to overshadow the fine group of young cows and bred heifers being offered, produced at Carusbrooke and sired by their excellent herd bulls.

I have always been impressed by the practical approach in this herd. It is a prolific group of cattle, practically handled, uniform in their thick, deep beef characteristics. A sound program of performance has been in progress here for many years. The cattle they are selling measure favorably with the ones they are keeping.

All who knew the Joel Hopkins herd had the highest regard for his cattle. Unquestionably it was one of the finest herds in the Midwest. In December, 1961, Carusbrooke purchased this splendid group of 70 head, a number of which traced to Hopkins purchase of the famous Red Gate herd of Ohio. Many of the females selling are descendants.

The present senior sire, Scotsdale Planet, has done a fine job. The junior sire, Melbourne Perfection, has the look of a stock bull. I can heartily recommend this group to anyone seeking a strong foundation of uniformly bred cattle from a herd that has followed a sound breeding program.

MELBOURNE PERFECTION — Our pick of the 19 sons of Calrossie Diamond at the 1963 Leveldale-Melbourne sale. Since that time he has matured to our complete satisfaction. He is a strong rugged bull with the head and eye of a stock bull. He has a great, deep hind-quarter and carries his width from end to end. His dam was the second top selling female, 1959 Leveldale sale. We are offering many females bred to Melbourne Perfection. Some of these, right up to calving, will be carrying his first calves.

SCOTSDALE PLANET—Purchased in the 1960 International, where he was third in the junior yearling class. Previously he had been second as a junior calf in the same show and had won his class at the Toronto Royal. He has left an excellent set of calves at the farm and we are retaining many daughters in the herd. Due to the fact that we have sufficient frozen semen we are selling two-thirds interest and full possession of this great young sire. We retain semen rights.

Three females in the Joel Hopkins Herd, Granville, Ill. This entire herd was purchased in 1961 by Carusbrooke.

VIOLET MARSHAL 12th—Another of our real good producing females by Oakdale Banker. A daughter sells in this sale and the cow will be rebred to Scotsdale Planet.

For many years Carusbrooke sold no females in order to build the strength of the herd. Culling was done by the Market route. Natural growth plus purchase of the Hopkins herd brings the herd to the point where they can spare a strong group of cows as well as an excellent group of bred heifers.
